BELLARY.—(*Continued.*)			
Lands.—The President informed that the G. O's. he refers to did not prohibit the sale of *all* building sites by Municipalities, but that Collectors were instructed not to alienate waste lands to Municipal Commissions. That in the case of Bellary, however, these orders were relaxed somewhat by G. O., No. 24 dated 6th January 1868, Revenue Department, and that the Government are not now disposed to place any further restriction on the powers of disposal vested in the Commissioners by that order	22nd Jan.	137-138	131

Chuttrum.—The President directed to publish, in an early issue of the *District Gazette*, a notification declaring the intention of Government to transfer the — to the Municipality	28th May.	265-266	853
Report for 1872-73 reviewed. The small collections under "Rates on Houses, &c.," and "Tax on Arts, &c.," as well as the decrease in expenditure being attributed to the late date on which the budget was sanctioned, pointed out to the Commissioners that the Municipal Act nowhere compels them to await the orders of Government before commencing current operations of the year, but that pending such orders they should refrain from any important work or change in the administration of the funds. Statement II.-A called for	26th Dec.	199-200	2453
Sanitation.—Pending completion of arrangements for bringing the whole of this town under municipal administration, the Magistrate instructed at once to select sites for permanent latrines sufficient for the inhabitants of Barnacherri, and build on them at Government expense ; meanwhile to erect temporay latrines, and take steps to ensure their proper use. Also to consult the Military authorities and officers of the Department of Public Works as to the best means to be adopted for abating the nuisance arising from deposits of the bay of the sea to the east of the barracks, owing to the proximity of the dhobies' well, the regimental slaughter house, and an unenclosed cart-stand	20th Feb.	145-147	296
——— The charge for constructing ten latrines at Barnacherri, sanctioned. The monthly charge of Rupees 20 on account of three toties and for occasional repairs to the latrines, also sanctioned for the current year 1873-74 ; after which, remarked, that the extention of the municipal rates to the "Karar" limits will justify their debit to the municipality	9th July.	67-68	1126
——— Satisfaction felt at the good progress made in the sanitary condition of the town	19th Sept.	117-118	1795
